

## Common symbols from spirit guides:

- Apples** - learning; teaching; ideas coming into fruition; nourishment
- Books** - knowledge; writing; filling the blank pages
- Feathers** - common 'calling card' from your guides and especially angels, showing they are with you, supporting and guiding you
- Keys** - unlocking the truth; unlocking potential; your guides are helping you to unlock what was previously hidden to you.
- Light** - depending on the color of the light or energy, this will have different meanings – generally speaking, you are given the energy to proceed / protect / heal.
- Pens** - writing; communication; your word or message.
- Scrolls** - deep wisdom or knowledge
- World/Globe** - the world is yours/in your hands; travel
- Knife/Sword** - protection; Archangel Michael is sometimes depicted with a sword; safety; cutting through something mentally challenging.
